

# *The "I Stand for the Family" Petition*

*Whereas, the traditional family is increasingly under attack on a variety of fronts at the international, national, state, and local levels, and*

*Whereas, weakening the family will have serious negative repercussions on families, individuals and societies, and*

*Whereas, it will take the best efforts of all of us working together to stem the tide of family disintegration and to preserve the family,*

*Therefore, I pledge my support to preserve and protect the family in the arenas where I have influence. Specifically, I will support efforts to:*

- Strengthen the family as the fundamental unit of society*
- Preserve and protect marriage as only between a man and a woman*
- Protect life before as well as after birth*
- Preserve the rights of all citizens to practice their religion as they choose so long as that does not infringe on the rights of others*
